

# Everything always at hand – our assortment cases

**NEW AT  
REYHER**

Well-organised, comprehensive  
and always at hand: high-quality  
fasteners in assortment cases

## **An all-rounder for all situations: always perfectly equipped with REYHER assortment cases**

Flexibility is often required during assembly. With REYHER assortment cases, you are well prepared for all eventualities. The cases (L-BOXX 102) contain a selection of coordinated items. Various areas of application were taken into account when selecting the assortments. Despite the large number of items, the case is very clearly arranged and offers space-saving efficiency. The modular application makes work easier, the patented click mechanism ensures safe transport, and the robust workmanship makes the case extremely durable.

### **All advantages at a glance:**

- **Application-specific assortment in various standard sizes – always clearly arranged and space-saving at hand**
- **Assortment items also available individually as refills**
- **The L-BOXX system is compatible with various vehicle equipment systems (e.g. Sortimo, Bosch, etc.) and easy to handle thanks to its click mechanism**
- **Robust construction of the case for long-lasting use**
